Rate and Rule Revision

- \* Based on in-force premium as of June 30, 2010
- \*\* Change in company's premium level which will result from application of new rates.

We are adjusting our base rates by coverage for an overall rate change of 7.8%. The rate change will result in premium increases of 12.7% and 0.5% for liability and physical damage, respectively. In our previous rate filing effective 3/19/10, we had not provided factors for model years subsequent to 2008. To correct this oversight, our proposed filing incorporates model year factors for model years 2009 through 2015.
